The reason we are writing this paper is we feel threatened by the high volume and seriousness of all the scams we see occurring around us, which prompts us to investigate swindles in general. We are merely trying to defend ourselves from all these major duplicitous attacks.

Charles Darwin's "**On the Origin of Species**" (1859), is the foundation of evolutionary biology, in which Darwin introduces the term "**survival of the fittest**," explaining that species that best adjust to their environment are the most successful in surviving and reproducing.

The term "**survival of the fittest**" does not mean that the strongest or the smartest can best survive. Tyrannosaurus Rex is massive—12 feet tall and 40 feet in length—was a fierce predator at the top of the food chain, with the strongest bite force of any land animal that has ever lived. Yet T. Rex, along with all other dinosaurs perished because of an asteroid impact, which allowed small weak mammals to flourish. Woolly Mammoths were large, strong, and extremely intelligent, like elephants today; nevertheless, they went extinct because warmer climates caused their food—vegetation in the Arctic tundra—to disappear. In biology, the ability to "**best react to change**" determines which species will reproduce and survive.

Charles Darwin's theory works very well in the realm of evolutionary biology and success comes to those people who can best react to change but does not tell the whole story about the "**ability of human beings to succeed during their own lifetimes**."

In the larger world in which humans live, you are going to meet all kinds of persons who follow many different religions or are atheists. Christians are raised to always tell the truth, which is a good way to advance society, but makes Christians easy marks for almost everyone else in the world who excel at lying and care nothing about the truth. Or as Jethro Tull says in the band's song, "**Wind Up—When I was young, and they packed me off to school and taught me how not to play the game**."

Some persons will give you the shirt off their back and some will kill you for a quarter, or worse still, some persons will kill you because of your philosophy. These individuals are at the opposite ends of the human spectrum. Persons you meet in everyday life will most likely fall somewhere in the middle. People's number one goal in life is to protect their position and make advancement, if they can. Most persons are inherently lazy and will lie, cheat, and steal to live. Persons feel slighted that they are not born a prince or a princess and justify their actions accordingly.

In life, just about everyone is trying to scam you in some way. Success goes to those who can:

1. Recognize the scam from 10 feet away and therefore not get taken advantage of. In this category we put the long-lost Nigerian Uncle leaving you money in his will Advance-Fee Scam.
2. Once you are in the scam, the ability to get yourself out of the scam is a must. For a man, we put the beautiful woman accosting you and wanting you to accompany her to her "family party" scam.
3. You have been scammed, now what. Admitting to yourself that you have been scammed is often very difficult because you do not want to accept the fact that you have been played. **Cognitive dissonance** takes over, and you will overlook all evidence and facts that do not support your decision. You want to believe and want everyone else to also believe. In this category we especially put scams by government officials and authority figures because we know how effective they can be.

An example of successfully pulling off a con, **Cesar Ritz** (1850-1918), the legendary Swiss hotelier whose name is the epitome of high-class, along with his French chef August Escoffier, conceptualized and brought into being 5-star hotels, such as the **Savoy** and **Claridge's** in London, and the **Hotel Ritz** in Paris.

When Ritz was a young, poor waiter just starting out, he was very persuasive and convinced a rich patron, regularly eating at his restaurant and sitting at the table Cesar served, that the heathy water was harmful and it would be much better if the patron drank only expensive French Bordeaux wine, on which Ritz—unbeknownst to the patron—would

receive a handsome commission. Being a short-term con artist is a usual way for people to get ahead. It has the advantage of being easy to perform, the mark does not know they are being taken advantage of, the getaway is easy and it is very profitable.

You may feel you are too smart to be scammed and want to believe in authority figures, i.e., government officials and medical doctors. It cannot be possible that these supposedly reputable people would intentionally start out to scam you. **WRONG!** American governments have been lying to its citizens for decades, e.g., JFK assassination, Gulf of Tonkin, WMD in Iraq, and 9/11, to name just a few.

Dr. Fauci, M.D., Chief Medical Advisor to Presidents Trump and Biden, and medical leaders of the World Health Organization (WHO), Centers for Disease Control and Prevention (CDC), Pfizer and Moderna have been lying about the **“safety and effectiveness”** of the experimental COVID-19 “vaccine”; the necessity for economic lockdowns; the efficacy of wearing masks and social distancing; and that Ivermectin is not effective in helping cure COVID-19 [20]. Hospital administrators now run hospitals, not doctors, and are easily bribed.

Once you are convinced to take the **“mandated experimental COVID-19 mRNA spike protein, gene-editing technology poison death jab”** [21]—cognitive dissonance takes over, there are no revelations and facts that will make you believe you made a bad decision. You are now committed, want all others to join you to validate your decision and cannot admit the truth to yourself that **you have been played**. “There can be no happiness without good health” [18]. – Voltaire.

**Diabolical WEF Globalists**, promoting the **New World Order** and **AI Transhumanism** want us all to be either dirt poor or dead—are pushing this **“evil lethal vaccine”** [21]—which is why having control of the media is so important, as they get to their victims first and then censure all truth [22]. Brain washing is real and effective—which is the basis for advertising. “The comfort of the rich depends upon an abundant supply of the poor” [18]. – Voltaire.

Governments currently are pushing many other cons besides the **“evil lethal vaccine,”** e.g., climate change caused by human’s con; the elections are fair swindle; biological men can have baby’s sham; the Great Reset of capitalism double-cross; the Sustainability Net Zero racket; the ESG investing rip-off; and Ukraine is winning the war against Russia deception. However, in reality, it is known that Ukraine is actually losing the war. Therefore, Jewish neocons are using blackmail to push President Biden into starting **WWIII, using nuclear weapons**. When Ukraine loses the war, Jewish neocons will be discredited, resulting in loss of their power, which is completely unacceptable to them—so they want to cover up their Jewish neocon incompetence and the eventual Ukraine loss by starting WWIII as a deception. Powerful Jewish neocons would rather die than lose their position of privilege. It is all about **“Jewish Supremacy.”**

President Biden feels he needs help fending off the Jewish neocons, as he does not want to start WWIII. Nonetheless, Jews are very adept at manipulating those in power against their will. For example, Jews pushed the unwilling **Pontius Pilate**, Roman Governor of Judaea (26-37 AD)—who declares **Jesus Christ** is innocent after reviewing the Jewish case against him—into crucifying Jesus Christ, after Jews condemned Jesus to death in a Jewish court of law [17].

Volodymyr Zelensky **became Ukrainian President in May 2019, running on a platform to unite his country for peace, and for closer ties with Russia**. However, President Zelensky lied, because he is controlled by the US, and continued the warlike policies that had been in place in Ukraine since 2014. From 2014 to 2022, Ukraine bombarded and killed 14,000 Russians living in the Donbas region of Ukraine. Russian survivors of the Ukrainian attacks in the Donbas appealed to President Putin—who came to their aid on February 24, 2022.

The Russian-Ukrainian war, instigated by the west, economic sanctions against Russia and isolating Russia from Europe by blowing up the Nord Stream pipeline are all a geopolitical strategy, planned by Jewish neocons in the United States government—to drive President Putin from the presidency, weaken Russia, and divide Russia into many smaller countries, which would be easier for the US to control. The Russia-Ukrainian war has nothing to do with the Ukrainian people, who at this point are merely cannon fodder. However, as a side benefit, if Ukraine wins the war, which looks doubtful, President Zelensky, who is Jewish, said, “he wants to turn Ukraine into a **big Israel.**”

Volodymyr Zelensky **was previously a comedian and an actor, who performed a showstopper—he would drop his trousers and play the piano with his penis**. President Zelensky, based on his performance as an actor and President of Ukraine, believes Jews are perhaps the master con artists, bringing the long-con to new heights. The most obvious are the Bernie Madoff Monster of Wall Street **Ponzi scheme \$50 billion-dollar con job** and Sam Bankman-Fried FTX cryptocurrency exchange \$8 billion-dollar scam.

The “**piece de resistance**” of the long con, which makes President Zelensky proud, is the **Jewish Holocaust scam**. Just the fact that the Holocaust word is capitalized is a huge accomplishment in the annals of con jobs. **Six million Jews** were supposedly killed by Nazis in slave labor concentration camp gas-chambers during the WWII Holocaust. In addition, Jewish prisoners’ fat was allegedly rendered into soap and their human skin was sewn into lampshades. Six million Jews killed in Nazis gas chambers and rendered into soap and lampshades is pure Jewish fiction and a very effective fraud to tug at your heart strings. Jews, we are told, are the ultimate victims and you (i.e., non-jews) are the cause of all Jewish anguish and suffering. If you believe this, I have a bridge to sell you.

The Holocaust concentration camp gas-chamber hoax is not supported by research or by the facts [1] [2] [3] [4] [5] [6] [7] [8] [13] [14] [15]. In addition, nothing even close to six million Jews were killed in WWII concentration camps [1] [2] [9] [10] [11] [12]. The six million figure was just a long standing—going back to 1900—fundraising symbolic number Jews used as an argument in favor of the new Zionist project [1] [2]. In 2015, Rabbi Yosef Mizrachi said the six million Jews reportedly killed by Nazis in WWII is grossly exaggerated—rather 5 million of the six million were “**total goyim**” a Jewish word for a non-Jewish person, especially a Gentile, which normally means a Christian. Rabbi Yosef Mizrachi says, “**The truth, I am telling you is that not even one million Jews were murdered**” [16].

The **fake Holocaust** is to deceive the general population so Jews falsely appear like perpetual victims that you should always feel sorry for and go out of your way to help. The Jewish Holocaust con job is masterful and rigorously enforced by state laws. Sixteen European Countries along with Canada and Israel have laws where it is a criminal offense for “Denying the Holocaust.”

The Anti-Defamation League, American Israel Public Affairs Committee and powerful Jews in government and business enforce belief in the Jewish Holocaust, calling it antisemitic if you are skeptical, which can be very detrimental to your wellbeing. Nineteen people have been prosecuted, found guilty, and imprisoned for Holocaust denial, along with more persons who have been fined [19]. In Germany, in April 2022, mercilessly, even a 93-year-old grandmother was given her second one-year prison sentence for being a Holocaust denier. This demonstrates the immense political power of the Jewish Tribe, all based on a Holocaust lie. Evidently the world is supposed to revolve around hurt Jewish feelings.

Recently, in the US, **Ye (aka Kanye West)** has been accused of being an antisemite. The overboard, shocking, and despicable treatment of Ye, resulted in his cancellation by Gap, Skechers, Adidas, JPMorgan, the fashion magazine Vogue, luxury fashion brand Balenciaga, talent agency CAA, and studio MRC—clearly demonstrates how much worldwide power the Jewish Tribe possesses. “If you want to know who controls you, look at who you are not allowed to criticize” [18]. – Voltaire.

**Let’s use a syllogism here:**

**Major Premise:**

**Good people** hate it when you **lie** about them, whereas **bad people** hate it when you tell the **truth** about them.

**Minor Premise:**

“For a Jew, nothing is more insulting than the truth. The truth is hate speech to those who hate the truth.” – “**Two Hundred Years Together**” (2002) by NOBEL PRIZE WINNER ALEKSANDR SOLZHENITSYN.

**Conclusion:**

Powerful Jews have a veneer of respectability, but underneath they are bad people who are insulted by the truth—and as Jesus Christ says, Jews are “despicable liars.” Jewish lies are sanctioned and even encouraged by the Jewish Talmud, which makes for an immoral Jewish character. We might add, as a result, Jews are marvelous con artists. As President Zelensky believes, “**To be able to pull off the Holocaust long con is a feat of genius.**”

The world is a competitive and unfriendly place—and as Blanche DuBois tragically says, **“I have always depended on the kindness of strangers,”** as she is being led away to the state-run mental institution because of a true rape accusation against her sister’s husband that her sister could not accept—and Blanche’s sister believes is evidence that Balance has gone insane. Or as Cat Stevens says in his song **“Wild World—It’s a wild world, and hard to get by just upon a smile.”** If you cannot see these cons and protect yourself from them, you will not succeed in life and may even be killed.

In **“Adventures of Huckleberry of Huckleberry Finn”** (1884) by Mark Twain, the **King** and the **Duke** are two con men who travel from town to town pulling off shameful reprehensible treacheries. Huck and Jim rescue King and Duke after they are chased out of a river town. However, the King and Duke end up being caught, **“tarred and feathered and run out of town on a rail”** by townspeople—to punish them for their deceitful betrayals. Perhaps we should bring back this form of justice, relying in public humiliation to help deal with present day cold-blooded diabolical narcissistic corruptors and deceivers.

This article is not really written by Presidents Joe Biden, Volodymyr Zelensky and Xi Jinping—these well-known public officials are just the biggest con men I could think of.

“I was in Dachau for 17 months after the war, as a US War Department Attorney, and can state that there was no gas chamber at Dachau. What was shown to visitors and sightseers there and erroneously described as a gas chamber was a crematory. Nor was there a gas chamber in any of the other concentration camps in Germany....From what I was able to determine during six postwar years in Germany and Austria, there were a number of Jews killed, but the figure of a million was certainly never reached. I interviewed thousands of Jews, former inmates of concentration camps in Germany and Austria, and consider myself as well qualified as any man on the subject.”

“The problem with this book, however, is that it wasn’t written by Muller, but by ghost-writer Helmut Freitag who, in turn, had plagiarized it from an equally faked account by Miklos Nyiszli entitled, ‘Auschwitz: A Doctor’s Eyewitness Account’ (1947). In that book Nyiszli blithely states that Auschwitz killed 20,000 people per day, every day, from 1940 to 1944 – which adds up to a cool 29 million dead! But, then, who’s counting? Certainly not the dean of Holo-historians, Raul Hilberg, as his supposedly authoritative, ‘The Destruction of the European Jews’, repeatedly quotes from it.” – Kollerstrom.

It is, finally, worth noting, and here I quote from Peter Winter" – Kollerstrom. Also, "The Diary of Anne Frank" was too sophisticated and advanced to be written by a 13-year-old girl.

"...that Anne Frank died of typhus and was not 'gassed'. It is one of the horrific ironies that Anne Frank died due to a lack of Zyklon-B at Bergen-Belsen – and this lack was caused directly by the Allied bombing campaign. The real story of Anne Frank is tragic enough, but the cruel exploitation, exaggeration and faking of her diary by the Holocaust storytellers is a scandal of epic proportions."
